“Maximum Work Safety and Commitment to Business Operation Excellence and Sustainability” Policy

The Group of UAC Global Public Company Limited

For efficiency and effectiveness in terms of safety, occupational health and environment, and quality management that satisfy the organizational stakeholders, the Company has announced a policy that the year of 2016 is the year of “the maximum work safety and commitment to business operation excellence and sustainability”, under the expectation that all employees in the Group participate in driving this policy to achieve the target of being the organization with zero accident from working and being the organization of Total Quality Management (TQM). The following shall be complied.

1. Focus on the companywide personnel skill development, training and provision of knowledges relating to work safety and productivity technique.
2. Continuously improve internal work process, promote and support all forms of safety activities, and seriously implement the 5S Area Inspection Project in all working areas, and prepare the Kaizen Suggestion for Work Improvement Project.

This policy shall be applied with every company in the Group whereas the executives and the Management must mutually advance this policy, and be the practical model, as well as promote, support, and create understanding for serious practice of the employees in work units according to this policy.

Announced on February 9, 2016.
